**PLEASE – PLEASE – PLEASE stop by and check the Lost and Found.
It continues to grow at an astonishing rate. ☹**

Christmas Shoe Boxes are available at the office if you would like to participate in filling a box for children in third world countries. Due to limited space, we are not collecting boxes at the office but there is information posted about drop-off locations in the community.

Please make sure your children are appropriately dressed for changes in winter weather conditions. We will be going outside whenever possible. Our temperature cut-off guideline is -20 C but we attempt to get students out for fresh air and an opportunity to burn off excess energy during the morning recess and afternoon lunch breaks. It may be too cold to be outside in the morning but very often the late morning sun makes it possible for us to bundle up and head outside so students need to have toques, scarves, mitts, ski pants, winter boots ... Thank you for your support of this expectation.
